

Affirmative Action Survey

September 2022

Methodology

This nationwide poll was conducted September 9-12, 2022 using the AmeriSpeak® Panel, the probability-based panel of NORC at the University of Chicago, on behalf of The Leadership Conference Education Fund.

Online and telephone interviews using landlines and cell phones were conducted with 1,003 adults. The margin of error is +/- 3.97 percentage points.

Which statement comes closer to your view:

College admissions should take into consideration the lived experiences and the whole story of a student, in addition to high school grades and test scores.

76%

Colleges should only base admissions decisions on standardized test results (like the SAT and the ACT) and high school grades.

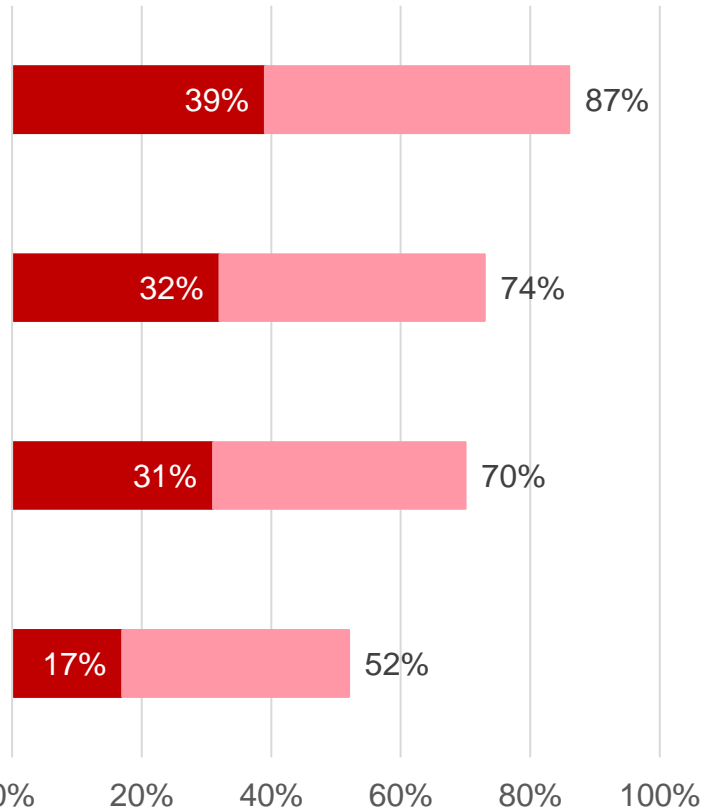

22%

0% 20% 40% 60% 80% 100%

Below are statements about college admissions. For each one, please choose whether you strongly agree, agree, disagree, or strongly disagree with it. **NET AGREE**

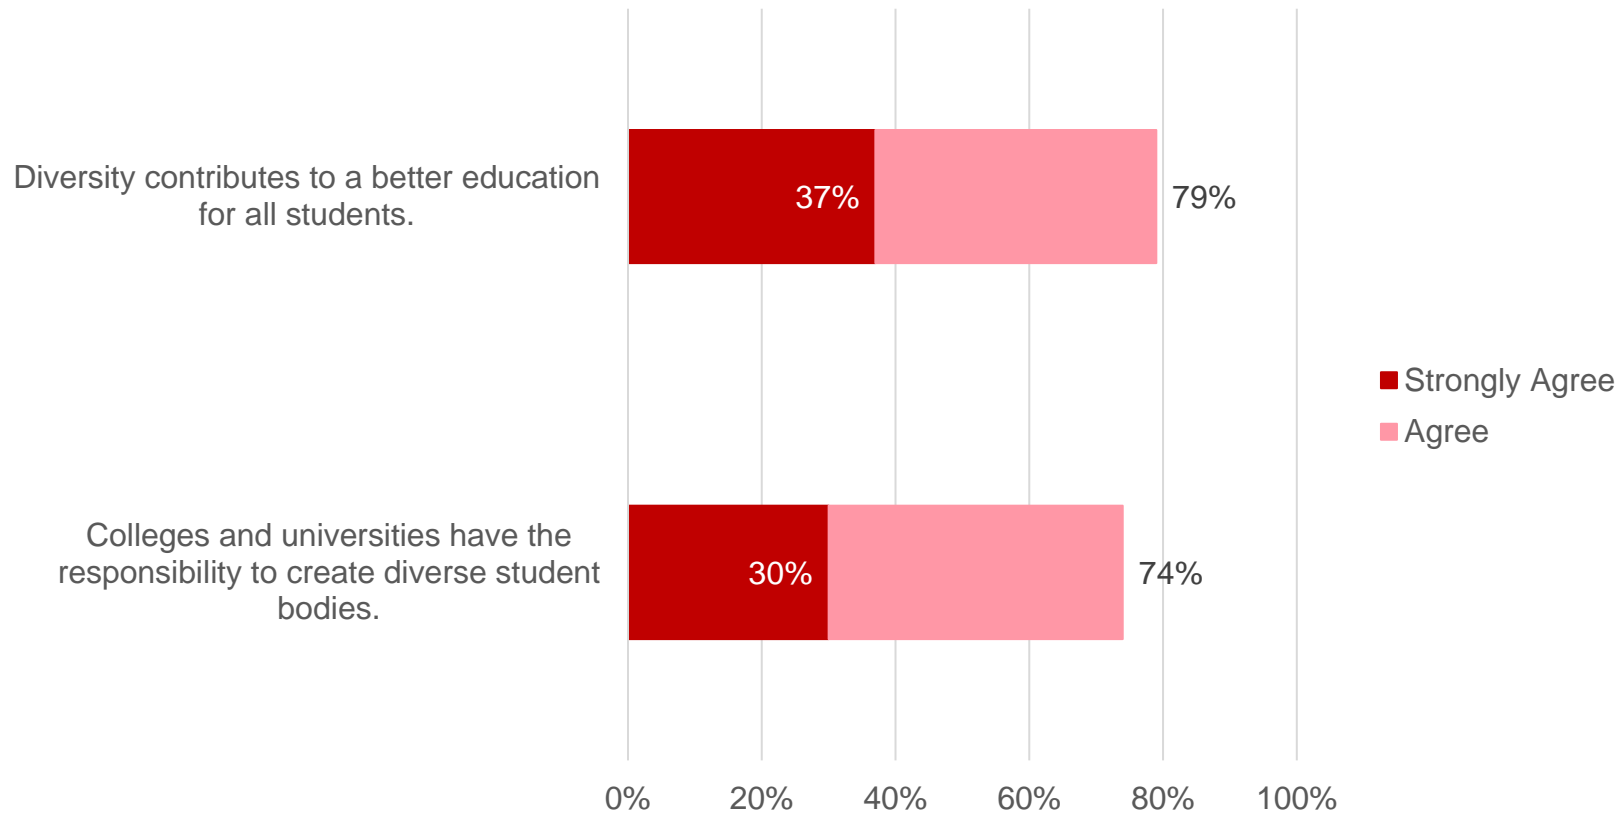

All students, no matter their race or background benefit from college campuses that reflect the diversity of who we are as Americans.

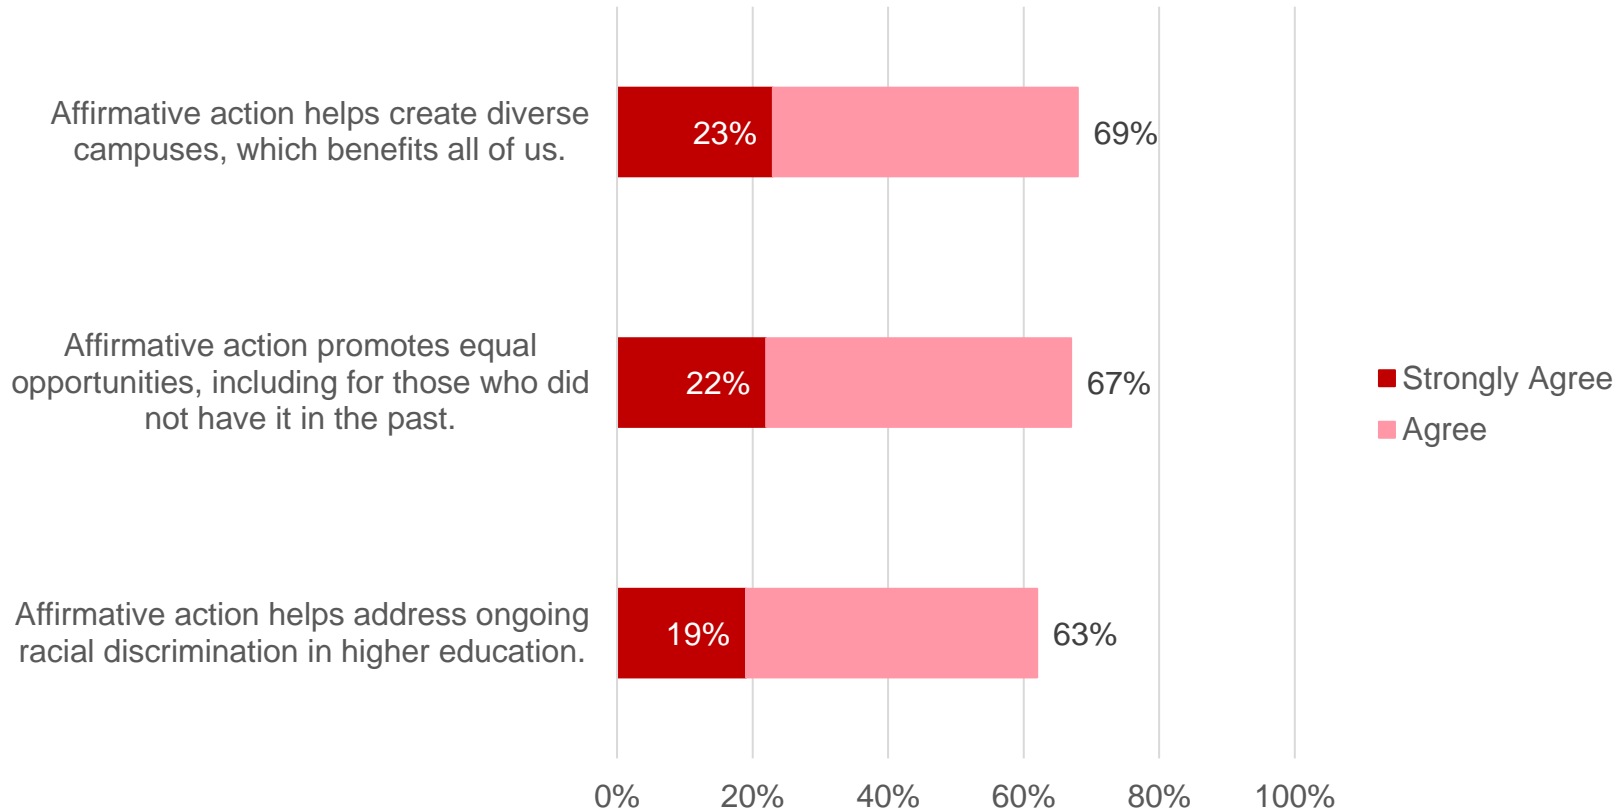

■ Strongly Agree
■ Agree
